Attention: Chris Emond

Dear Chris,

Enclosed are the original and one copy of the 2022 Exempt Organization return, as follows...

2022 Form 990

2022 Annual Report of Charitable Organizations

The returns were prepared from information furnished to us. Our work in connection with the preparation of your income tax returns did not involve the verification of your data nor did it include any procedures designed to discover defalcations or other irregularities, should any exist. We rendered only such accounting and/or bookkeeping assistance as was determined necessary for the preparation of your income tax returns.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all documents, cancelled checks, and other data that form the basis of income, deductions and credits. This information may be necessary to support the accuracy and completeness of the returns to the taxing authority.

Cryptocurrency transactions were reported only to the extent that we were made aware of them by you. Virtual currency is treated as property for Federal Income tax purposes and transactions must be reported to the IRS. You are required to maintain records of transactions in order to support the accuracy and completeness of your income tax return.

We will not be liable for any penalties resulting from failure to provide us with accurate and timely information regarding foreign accounts and investments, or to timely file the required disclosure form. Please remember that our ability to assist you is limited to the information that you have provided us. We have prepared your tax returns based on the information you provided regarding foreign activities and investments. If you indicated you have no reportable foreign activities or investments or you have not responded to our inquiries related to foreign activities or investments, your tax returns will not contain the associated foreign disclosures.

You have the final responsibility for the income tax returns, and therefore, you should review them carefully before you sign and file them. The law provides for various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or circumstances of these penalties, please contact us.

We used our professional judgement in resolving questions where the tax law is unclear, or where there may be conflicts between taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we resolved such questions in your favor whenever possible.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event your returns are selected for examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

We sincerely appreciate the opportunity to serve you. Please contact us should you have any questions concerning the income tax returns.

Each original should be dated, signed and filed in accordance with the filing instructions. The copy should be retained for your files.

Please review the return for completeness and accuracy.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax return.

We recommend that you use certified mail with post marked receipt for proof of timely filing.

Very Truly Yours,
